

## Greeting's from South Canara DCC Bank:

Dear customer's secure/manage your ATM card transactions with our card safe APP.

### How to download:

**Step1:** Go to play store in your mobile and download **Sarvatra Card Safe** APP.

**Step2:** Enter registered mobile number, OTP will be sent to registered mobile number

**Step3:** After entering OTP, Customer has to set 4 DIGIT password for logging in to the APP.

### After login to the **CARD SAFE APP**, you can:

- Monitor transactions related to ATM, E-COM, and POS.
- Daily limit of ATM, E-COM, and POS can be changed.
- Also customers can set new pin if they forgot ATM Card PIN number.
- Block the ATM transaction immediately if card is lost.

➤ **Please Visit/contact the branch if you have lost the ATM card and need new card.**
